Personal Profile

I am 18 years old and grew up falling in love with music. I started off taking piano lessons for about 4 years, then took violin classes for 6 years. With the help of my mom, I was able to get in acting classes and even audition for Disney around the age of 7, and at the age of 8 years old, I was invited to be able to perform at Carnegie Hall in NYC! I got the chance to sing in front of over 3,600 people, and ever since then I have continued working to build my acting career.
